My Husband

God saw you getting tired
and a cure was not to be
so He put His arms around you
and whispered, "Come to Me."
With tearful eyes we watched you
and saw you pass away
and although we love you dearly
we could not make you stay.
A golden heart stopped beating
hard working hands at rest.
God broke our hearts to prove to us
He only takes the best.

Still Loving You

Until death do us part
Were the vows we made then
Though they no longer hold
For death has parted our ways
Forever I am plighted to you
And still loving you
I love you in them
And honor you by loving them
They are created by our love
Brought to life by the giving of our lives
Their hearts were molded by ours
In their hearts are mine and yours
I love them and I'm loving them
I am still loving you
Until death do us part
Were the vows we made
I knew then and I know now
That they are meant for you
Forever they are engraved on my heart
For I am always loving you.

A GENTLE SOUL, NOW AT REST

TO MY WIFE

I Never Left You

I watch you every day
I'm always very near
I know deep in your heart
You realize I am here

I watch you while you sleep
In your bed at home
I hear you when you speak to me
When you're on your own.

You cannot understand
The reason why I have gone
But I will never leave you
I'm always there to keep you strong.

Talk to me I hear you
Though you may not see
We share an unbroken bond
That will always be.

Death won't keep us apart
For our love is forever
Just remember me in your heart
And one day we will be together.

Live your life and live it full
Don't waste a single day
Remember I'm always with you
Every step of the way
